	Level: AWL
1. BNC1: She had to commit herself totally to the therapy, while looking after two young children.	
2. BNC2: We are committed to ensuring that this reputation remains as sound tomorrow as it is today.	
3. Other: Achieving success at this level requires a commitment of time and energy.	
4. Other: The company's commitment to providing quality at a reasonable price has been vital to its success.	
11: communicate (kəm'júnəkət)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Natural language is the most convenient method for communicating with interactive <i>systems</i> .	
2. Other: Television is an increasingly important means of communication.	
3. Other: AIDS is not communicable by food or drink.	
4. Other: The course provides students with the language and communicative skills they will need in their professional lives.	
12: concentrate (kónsəntʃət)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Everything I do in future I will tackle with <i>total</i> concentration and self-assurance, and I will do it well.	
2. Other: I can't concentrate on my work with all that noise.	
3. Other: Doctors are aiming to concentrate more on prevention than cure.	
4. Other: Solutions to these problems will take time and concentrated effort.	
13: confer (kən'fə)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Microsoft Corp is reportedly going to by-pass the formality of a <i>press</i> conference to announce Windows NT in two weeks.	
2. Other: She is attending a three-day conference on AIDS education.	
3. Other: The scientist wanted to confer with his colleagues before reaching a decision.	
4. Other: An honorary degree was conferred on him by the University.	
14: contrast (kóntʃæst)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Certainly the results are in <i>marked</i> contrast to those found in a poll conducted by New Scientist in 1973.	
2. BNC2: By contrast the same is not true in America and many other European countries.	
3. Other: These results contrast sharply with other medical tests carried out in Australia.	
4. Other: The book explores contrasting views of the poet's work.	
15: cycle (sáikəl)	Appears in List(s): 4a
	Level: AWL
1. Other: The water is cycled through the machine and reused.	
2. Other: Sometimes the only way to break the cycle of violence in the home is for the wife to leave.	
3. Other: This washing machine has a 50-minute cycle.	
4. Other: Economic activity often follows a cyclic pattern.	
16: debate (də'bét)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Even here there is debate about whether the activity of any single cell could be used to identify a particular face.	
2. BNC2: The origin of these cells has been the subject of much debate.	
3. Other: Meanwhile, philosophers debate whether it's right to clone an individual.	
4. Other: It is highly debatable whether these alternative medical treatments will actually work.	
17: despite (dɪspáɪt)	Appears in List(s): 4a
	Level: AWL

1. BNC1: Despite their apparent diversity, most of these practices have certain features in common.	
2. BNC2: Despite its low capital costs, the opportunities for such a system are few in Britain.	
3. Other: Despite all our efforts to save the school, the authorities decided to close it.	
4. Other: She was good at physics despite the fact that she found it boring.	
18: dimension (dɪmɛnʃən)	Appears in List(s): 4a
	Level: AWL
1. Other: We'll need to know the exact dimensions of the room.	
2. Other: It is important to keep in mind the historical dimension to these issues.	
3. Other: Computers are used to create three-dimensional models of the structure.	
4. Other: Doing voluntary work has added a whole new dimension to my life.	
19: domestic (dəméstɪk)	Appears in List(s): 4a
	Level: AWL
1. BNC1: Domestic consumption in France is estimated to have risen by 20 per cent in the last two decades.	
2. Other: This organization supports women facing domestic violence.	
3. Other: We domesticated the dog to help us with hunting.
