Assessment

The assessment of the course is based on a combination of the following.

- Unit Tasks & Assignments
- In-Class Performance
- Tests

The contribution each assessment makes to the final grade is available on the “Student Performance Record Sheet” (SPRS) which can be accessed from the course page on Waseda Moodle.

Passing/Failing

In order to pass Communication Strategies 2, students need to meet **BOTH (1) AND (2)**.

(1) Attendance: The students must attend two-thirds (2/3) of the 14 classes (10 classes).

(2) Achievement: The students must achieve three of the four goals (G1 to G4).

- To achieve each goal, the students must obtain 60% of the goal-total in SPRS (Student Performance Record sheet).

Grading

The final letter grade is determined by adding the points attained in all the assessments and matching the total score (TS) with the letter grade in the table below.

Final Grade	Total Score (TS) Range
A+	$90 \leq TS \leq 100$
A	$80 \leq TS < 90$
B	$70 \leq TS < 80$
C	$TS < 70$
F	Fail (1) OR (2) above

Students who wish to question their final grades should make inquiries directly to their course teacher, who will consider each case based on the student’s SPRS. Inquiries of this nature can be made until the end of the 7th full day (1 week) after the final grades are made public by the Education Office. Once these 7 days have expired, no further grade inquiries will be considered.

Homework and Participation Expectations

Students are expected to complete 100 minutes of homework for this class. The homework includes studying

the relevant sections of the textbook, preparing for the next class, learning the vocabulary lists (available through Moodle) as assigned by the teacher. Students should also review the previous class and prepare for tests.

Notes

Academic Honesty Policy (<https://celese.jp/policies/academic-honesty/>)

Students are expected to uphold fundamental standards of academic honesty consistent with Waseda University regulations.

The Center for English Language Education in Science and Engineering (CELESE) strives to provide reasonable accommodation to students who require accommodations to ensure that all persons have equal access to educational opportunities if such accommodations do not place an unreasonable burden on other students and/or the university. Students are requested to contact the appropriate university office (e.g., Waseda Support Department for Students) if they require accommodation.
